

Looking for a **seasonal mooring** or a **transient mooring** for you boat while visiting **Brooklin Maine** ?

You've come to the right place. You can review our seasonal mooring rates [here](#)

. Water directions to our boatyard and mooring field are provided below.

### ***Waypoints have been provided for areas of Herrick Bay without Nav-Aids***

#### **From Eggemoggin Reach**

From "EE" at the East end of the Reach steer a course of 118° M to "N2". Leave "N2" to port and steer a course of 087° M to "C11" South of Mahoney Island. Leave "C11" to port and give Mahoney a wide berth as you come to a course of 002° M and proceed to a Waypoint at 44° 15.15N – 68° 31.3W. Leave this Waypoint on a course of 320° to our mooring field.

#### **From Blue Hill Bay**

Follow a course of 268° M through Pond Island Passage leaving "C1" and "C3" to port and "N2" to starboard. If your draft is less than 4' or 5' steer a course of 226° from "C3" to a Waypoint at 44° 15.15N – 68° 31.3W and then a course of 320° to our mooring field.

If you are deep draft, play it safe and continue on your course of 268° from Pond Island Passage to Waypoint 44° 14.06N - 60° 29.1W then steer a course of 342° to 44° 15.15N – 68° 31.3W leave this Waypoint on a course of 320° to our mooring field.

#### **From Casco Passage or Jericho Bay**

Go to "C11" South of Mahoney Island. Leave "C11" to port and give Mahoney a wide berth as you come to a course of 002° M and proceed to a Waypoint at 44° 15.15N – 68° 31.3W. Leave this Waypoint on a course of 320° to our mooring field.
