Wooden boats are subject to additional hauls and launches [due to swelling the wood] and shall be billed at the normal rate.

To ensure safe dockage all owners shall have appropriate lines and fenders onboard their boat prior to launching and hauling.

Boats not picked up on time will be stored on an Atlantic Boat mooring at the usual and customary daily rates.

Boats stored outside: Atlantic Boat shall not be responsible for water or weather damage (including snow load) in or on any boats that remain uncovered, covered by customers, or when covered by Atlantic Boat personnel in severe weather situations.
